The Inams (Cases Nos 3, and 7 to 15) appear to have been granted by the
 Shrotriumdar. The collector has found a Taluk dated 6th October
 1866 No 344 in conformity with the Bd's Proceedings under date
 26th September 1866 No 6915, directing these Inams be settled
 by receiving Statements as is done in Sunned Inams; and as it
 is done in the present instance. On the holders of Inams from
 Cases 7 to 15 having presented before the Tahsildar and filed their
 Statements in 1867, an auzi was submitted to the collector dated
 19th March 1867 No 74 with documents and Statements as to
 the enquiry of this Case; and it is these Statements that help me ^{now} to
 dispose of these Cases (7 to 12) though the Inamdars are absent. The
 above documents show that the Inamdars have had 50 years
 enjoyment of the Inams, till Fush 1267, until which period they had
 been a Shrotrium Village. In Subsequent Fush, it was rented on
 Apanam tenure, and Ryotwary system introduced. The Inamdars
 claims appear to have been put forward since Fush 1268, though
 remained pending. The above records of enquiry accompany
 this Register.
