Mr Cunliffe in his letter of 11 Dec 1862 ...

Sir,

With reference to your letter of the 5th Instant No. 160, forwarding an Extract from your Inam Register for the Village of Mangad in the Saidapet Taluq, I have the honor to inform you that from the report of the Tahsildar it appears that the Inam of Acres 9:1:10 assessed at Rs 103-1-6 is entered in the Tarapadi Wymaish Accts as "Carkers Bathyard Inam" whilst in the Kandy years Dowl (another standard) is designated as "Bathyard Inam" or Inam to persons engaged in matters connected with irrigation for this it must be inferred that this Inam is not a personal grant but dependent on the discharge of Service. The Inam is stated to be in the enjoyment of the 5th proprietor of the Mangad Village & the may I think be continued in possession, as he is the party mainly affected by the Service being properly rendered. He seems to have let a portion of Acres 2:13:11 assessed at Rs 33 to 36 of ... in remuneration for their services in ... from the ... opening and closing the Calingulah &ca. I have &c. (Signed) B Cunliffe. Collector

Under the foregoing circumstances the Inam cannot be enfranchised as recommended by the Member of ... now ... be continued subject to the usual conditions of Service

Register of [illegible] of Mangadu — by Lapeth Taluq – Madras, D:

Case 29 — Contd. Sheet No. 22 7 or 8

The Tahr. states that Meer Imam ally denies the existence of any Court Decree in his case — Vide Tahr's arzee 22d July 1867 No. 16 —

Hence I think that Sepalaya cited the Decree as a Precedent — From the Terms of the Deed produced in the Tahsildar's Enquiry, it appears to be a conditional Mortgage & not sale — The Inam is therefore confirmed to ~~the heirs~~ Imam ally the heir of the original Inamdar ~~as shown below~~ on a QR of Rs 7-8-"-
