Robinson
Indian Commissioner.

Chendrasekhara Pillay & the parties in case 16
presented statements, showing that "Nir" Maniyom" is a part of the Manias
right; and that the village had been formerly a Yekabhogia - Manias, but
was afterwards bought by himself & others. Consequently they requested the settlement
of the claim in their name. From the decisions of Tripasoor Mooneiff's
court and of the Civil court No. 88 of 1863, produced during the inquiry
it appears that a suit instituted by Chendrasekhara Pillay & to recover some of
the lands in the above Village, in possession of Sundara Mudale & c, was dismissed
on the bar of the Limitation law. As the Karam says that this claim is included in the
lands under dispute and as Sundara Mudale & c have not presented statements,
it has been brought under attachment &c
