 After a long walk, we reached General Bismarck's camp at 11:30. The camp is a large village, situated on a high plain, and is the best place for a camp. The camp is shown in the accompanying map.

has been recommended
for teaching the children
this village. The office was
formed & held by a Suba
in whose absence it is the
the people of the Catholic
Protestant, Anglican & other
who are the first after the
of the land who also
approach the business
