The major of this train
is unknown. It is
said to have been sent
for service on Southern, and
the presence of me
Evangelista Rindler of
Chamisso, Baker — & to
the present incumbent himself

 of the next now and then — There are neither doubt
 nor need to show that this was the object of the part-
 I have not treat it as a personal thing, inasmuch
 as the said declaration is not said to be personal
 character, & which could never have been the intent of
 the mag. & alms. The pastor in Col. 16 states that they
 are in the habit of supplying the spirit of the nation
 with the holy water of prayer, & that for a long time the
 man is to be of them. I have compared others with it &
 will be given to them. I have compared others with it &
 will be given to them.
