The Sustaker is
not in residence. The
land is ~~not~~ called on
— nearly all the proceeds of
loggers are held under
deposit. — The service has

around the person & person
that time. It appears from a
remark in the Taramadi report that at
that date the service was not being
taken, but the service seems to have
been revived. But the continent from 8 to
to be resumed & charged with full effect.
