Reference No.	Description of Land	Assessment Rupees	Assessment Fanams	Assessment Cash	Remarks
Sheet	Wet	1	3	7	This is a Tarawari Village Surveyed in Fl 1235 and assessed in Fl 1248 The Extent herein shown is the Survey area

Personal	Wet				From the Personal benefit of the holder	From the mera	Tanks	Tanks	Do do Mr Barnard's Tarapadi of Fl 1184 Surveyaccount of Fl 1235 Imamanuaya account of Fl 1235 Register of Fl 1248-68	Tanks	Sullur Kylsi Settan managiyam in Fl 1184 Extent 10-0	The same name in Fl 1235 Extent 7-8-12	Madras Adam Ri Alavar Chetti 85 not retd	Dumpton (married)	The present holder's attorney acquired the land from purchase for Rs 105 in 1807 from Sankaly Konda Pitchi and Venga Chetty, who had obtained a cowle in 1800 for 320 from two individuals Rayalaseema Mutaliars and the Nizamy Subah, subsequently confirmed by the Hon'ble Company on the purchase of the property at a public sale by auction conducted by the Sheriff of the Supreme Court at Madras in pursuance of a decree of that Court in a suit brought by John Dawes and others against the descendants of the grantee. The price paid being Pagodas 6. The following documents were produced: 1 deed of sale by Sheriff of Supreme Court 1 Counterpart do by the donee of Chinnatambi Mudali 1 Exempt deed of sale by Ramalinga Chetty to Adam Ri Alavar 1 Receipt by the Sheriff of the aforesaid parties (plain paper)	The alienation is supported by documents and is traceable from the grantee to the present holder. The nature of the grant is somewhat of a doubtful character and requires some explanation. It appears under the head of Dues in all the accounts Commencing with our Samvat Year 1807 down to 1822 and is recognized by the villagers as a public sale from time immemorial. A Certificate or Pranam in pursuance of a decree of the Supreme Court dated 3rd Feby 1794 was granted by the present holder, and stands in favour of Mr Shamier Sutton & shows that the land was leased out for a term of 99 years and that it is renewable at the end of that term on payment of 100 Star Pagodas for another term of 99 years on such terms and conditions as shall be judged "reasonable". The wording of this grant clearly shows that the land was to be held for a limited time and was not intended to be considered from our Enquiry with reference to the Commissioners official Proceedings of the 22nd July last to 325 - There is however one feature in the case which should be considered in favor of the present holder, which is that a Title Deed may be given since the land is entered in Mr Barnard's Tarapadi as an Inam in Fl 1184 or 26 years prior to the issue of the grant in question & is recognized as an Allowance free of rent. Like other Managiyams in the Village, to the public. The Government have not a right to renew the lease for another 99 years on Payment of 100 Pagodas. The grantee who has been in the enjoyment of a permanent alienation of property to the tune of 1200 or near 2000 years or 6 times the period attached to Hereditary Right, to substantiate the validity of a Grant free of rent & Assessment under the foregoing circumstances recommend that the case may be dealt with by the Board agreeably to the Rules prescribed for the disposal of Inam claims.	We could not find any Proof of the Grant being a Sanad or Kowle but the Pattah Register shows that the land was granted on Fasly 1206 (1796) on a Pattah Rent of 100 Pagodas.
