* Nálattanmei Wet 91 - 94

* of Nálattanmei was drawn in the name of No 1 alone.

6. No 1 having filed a suit in the Tripplicane Munsiff's Court in No 256 of 1868 against the said Sekhaiyan referred to in para 2 for field No 256 it was dismissed as the Plaintiff had no permission from Government under Regulation 4 of 1831.

7. Under these circumstances I find it difficult to make any recommendation but would suggest that the Inám in both the Villages may be confirmed in the name of the Claimants No 1 & 2 in equal shares on any quit-rent, say ½, which the nature of the case is deemed to call for.

8. The Tahsildar's Agree No 308 dated 21st August 1871 together with its Enclosures is herewith forwarded, which, I request, may be returned when no longer

9. The [illegible] Nálattanmei are really and bona fide entered upon the accounts.

Chingleput Collector's Office
Sydapet 7th October 1871

Collector

Ethirajulu to Sriranga Chari for the use of the Court by order dated 16th Oct 1871 in the 16/12/72

1 Satwika Chary
2 Sadagopa Chary

Collector

This Inám and the one referred to in case No 1 of the Villages of Nálattanmei are entered in the accounts merely as Védaviti Ináms

2. From enquiries made by the Tahsildar it appears that till lately several persons have been doing the Védaviti service and enjoying the Ináms under the orders of the Villages

3. The Inám only includes the Mélwaram and is now claimed by (1) Madabhushy son Sáwkal Chary (2) by Shatagopál Chary. The former has been enjoying the Mélwaram of the Inám in Nálattanmei for about 11 years, while field No 256 in this Village has been in the enjoyment of the latter (No 2) for about 12 years, it being also his ancestral land as regards the Melwaram right; the other field No 258 in this Village is in the occupation of one Sekhaiyan being part of his punja lands for 2 or 3 years, he admits he has enjoyed the Melwaram with the performance, and he makes no claims to the Inám.

Claimants Nos 1 & 2 have taught Védas to the Villages for about 16 & 13 years respectively according to their own statements, for less according to the witnesses examined.

4. The whole Inám has been under attachment for 2 years as the Inámdars had failed to appear before the Tahsildar for settlement.

5. The Road Cess Pattah issued for the Inám in this Village was made out in the names of the Claimants No 1 & 2 while that issued for the Inám in the Village

The Cawnie field in this village is Inám
