Remarks by the Collect. No 546.

The Collections of the past 10 years are given in the margin as well as the Sibbandi and maramat charges incurred by the Jaghirdar during the same period. Out of the total waste of 239 Cawnies no portion is fit for cultivation as the whole of the land consists of a bed of gravel. There is therefore no likelihood of any portion of the waste being brought under the plough and no charge is therefore recommended on that account.

The net profits to the Jaghirdar amount to Rs 4044-12-— per annum. Quit Rent at 1/4th of this amount will be Rs 1011.

This Village was granted in 1817 on Shotrium Tenure subject to a jodi of 1400 Pds per annum for the life of the Grantee and that of his next two heirs — or for 3 generations — The term was converted in 1825 into a rent free one and it is now held free of rent — The Grant was made as remuneration for the services rendered to the state by the Grantee as Head Native Servant in the Surveyor Generals office.

The Grantee left 5 sons of whom two died during his life time & two after him — The present holder is the only surviving son of the Grantee — He succeeded to the Jaghir in 1855 at the death of his Elder brother — He is the 2nd generation as finally decided by Govt Vide Note 6 attached to the 3rd Circular order of 6th October 1834 Page 96 of the 1st Vol of the Circular orders — [illegible] this Village was first joined in consequence of the orders of Govt dated 15th Oct 1861 No 1987 which directed that Enams held for a term of three generations should not be modified until the [illegible] made under the subsequent orders of Govt dated the 2nd June 1864 No 945 — which reserved the resumption —

The present holder moved Govt for permission to enter the Villages after enfranchising it under the rules — The Govt refused the prayer for the present but raised no objection to its entertaining it at a future date — Vide Govt endorsement on Petition No 2512 of 1860 —
