Nattu

Rangaiyangar 45 Grandson 1 wife 1 Son

Divided under holding equal shares.

The incumbent was adopted by his divided paternal uncle but had issue 30 years ago with all the necessary forms which make the adoption valid.

The adoption was brought to the notice of the Collector who registered the deed and the entry of the adoption in the Register of Adoptions kept in his office in 1867.

This is a Non-Shotriem confirmed on the existing tenure by the present Govt in 1802 by way of compensation for the loss sustained on the abolition of the Nattu-cure office hereditary on the family of the grantee in col 13.

The grant is therefore purely personal and its validity is established by the Govt Parwana produced and the registries made by the Collector in 1851, 1855 and 1867 on the death of the sons of the grantee.

The share of the incumbent is sent to the Collector for the management, out of the proceeds of which annually are paid ₹ 3 for his support and the remainder is paid to his father's creditors for the last 10 years.

Confirmed on present tenure as the Shrotriem is declared by enfranchise
