The following is the alienation
 deed of the of the grant from
 present holder the original being here
 is sent to it is not attested
 have examined the same, it appears
 to be a true copy of the original
 made by the present holder being that
 several years ago the same deed
 was lost - The same was placed in the
 of the present holder is the same in my
 copy is the deed of George W. Allen, of
 the same place -
 Recd. - Dec. 10th 1861
 to the present holder being
 a true copy of the original

The people amount to
 1000000 of 500000
 The land is being worked
 equally to some extent
 It is being improved
 with full effect

This image shows a blank, aged, yellowish-brown page, likely an endpaper or flyleaf of a book. The paper has a textured appearance with visible creases, discoloration, and a small dark stain near the top center. There is no text or other markings on the page.

This Institution about
several years
the land is being
run to gain. Is
now changed
all of a sudden.
