Cases 4 & 8 — The Pate Parudee Inams in the Village are the site of houses, & the Backyards attached thereto of the old Nattam till F 1274 — In F 1275 the old Nattam was abandoned & a new Nattam built — The Revenue Dept have not remitted the tax on the Housesite & Backyards of the new Nattam — But by the Asst Colr's Jummabundy ordered verbally at the settlement of this Fasly that the lands in question being the housesite & backyard of the new Nattam shall be brought to full assessment if cultivated, but that the trees on them shall be held free — I have therefore brought all these Pate Parudee lands under settlement subject to ½ assessment where there are trees, [illegible] Cases (2) should, if the Comm^r. disapproves of the course taken by the Asst Collr without orders, (6) 4 & 8 be struck out — Altho' these lands have not been usually under cultivation, yet the general impression was that they were jaree tenures, even if cultivated —

I think that the new Nattam should be assessed from and to the Nattam kept under assessment. If the new Nattam cannot be exempted from and, it is fair that the old Nattam should be treated as usual. [initials] 29/11/69
