Lorraine

This train is said  
to have been painted  
by the worshippers of the  
village goddess — and  
from the earliest times  
it is apparent that a  
part of the Indian cast  
blended in that sense —

[illegible]

was employed in that service —  
The present incumbent is said  
to attend to the service from a long  
time, the price of the farming also under  
the oversight being his property. As the  
part is intended for the benefit of the support of the  
President in the same way, to which there could be  
any other, to I would recommend the purchase  
of the train with the present holder of his property  
to lay other service is replaced performed.
