For the support of

Fee Pot Cultivation The account is illegible Ganga

In Tyaumt of 1226 Gangamma's Inam

In No. 1263 Gangamma's Inam Pujari Rangadas

none

This Inam appears in Case 5 of the D.T. No. of Fasli Dt. Qu. to have been fully assessed by that officer on 10th May 1861 - but it does not appear in B statement or in A. furnished for my guidance. The same grounds who tendered the former recommendation remain - For the last 20 years there is no Pagoda nor any Pujas - & the Inam lies waste -

To be therefore finally assessed
