536 & 537 – Padri or Missionary's Cathedral Ground land & the rest the Mausoleum of the said Cathedral

Periyapalayam

Roman Catholic Church –

The whole of these lands is stated to contain part by the Church the Houses &c of Christians, & streets – & partly to be cultivated – By whom & under what circumstances was the grant made is not clear & no help on the Talug Establishment can throw light on the matter – This appears as a Case in the 5th Vol – of former Dy Col – with a remark that it was directed to be struck out – (genuine not signed) – The whole of these lands are stated to be situated not in the Village site – but to be among the assessed lands –

To be therefore struck out – 8/9/69 –

I have since come across the late Commissioner's official decision: dated the 22nd July 1861 No 2 Ser + from which I find that the Grant in question is 99 Years lease & as such excluded from the settlement of this Dpn:

To be therefore struck out – T.R. 9/9/69 –
