Average Rates
Dry 3 " "
wet 3 12 "

In the Shrotrium Register of N.R. the Wet inams were denoted as Inams & the Dry Inams - 8-6-8 more not (1) to be deducted — evidently by mistake — The Dry Inams are all enjoyed & are admitted by Shrotrium dar as DB — I have therefore rejected the dry portions also & beg that the necessary alteration may be made in the English abs: DR & JC
