Krishna. Agraharam Village of Chavamales¹⁶¹ in the Taluk of Ponnandurai of Coimbatore District
 This Village was originally granted by Chikkadevaraja (Chavara Raja) of Ponnandurai.

On the assumption of this District by the British Government agreeably to the Order of the Government dated 2^d July 1801, this aghasham was resumed and in lieu the cultivated lands which were paying equal value to 1/3 of the then full rent of the village were respectively granted to the Aghashamdar as share-jin of all tax. A patta to this effect is also granted to them which contain the names of the different Sharejins and their respective shares. Some of the Aghashamdar have subsequently sold made gift and mortgaged their shares to others. On the present settlement the share-jin of the village is divided into 10 shares.

Some of the Agribasandans have subsequently sold made gift and mortgaged their shares to others. In the present Settlement the shares held by the descendants of the Original holders and that of mortgagees who had it previous to 17th July 1821 and to which no claim is now preferred either by the Original holders and of their descendants are Conferred to them.

On the present Settlement the shares held by the descendants of the Original holders and that of mortgagees down and the mortgagees who had it previous to July 1811 and to which no claim is now preferred either by the Original holders and of their descendants are Conferred to them.

The documents and accounts connected to this Agraharam are entered in Vol 12 of the Register. The land is not divided among the 111 families.

The land is not divided among the Share holders of this Agraharam but the two inn each of land of each Share is joined in to Share.
