The party in Col 16 executed an agreement on the 26th September 1862 stating that he would build a Makhan within a month and supply rice &c to the Phakers who could halt in it. The existence of Makhan and the supply of rice to the Phakers are strongly desired by the village community. This Inam is therefore confirmed to the party in Col 16 and the agreement is communicated to the x

x District authority for its enforcement. This makhan was not build since the grant of Inam up to this time. 26th September 1863
S. Tolasayon

It becomes unnecessary to make such enquiries and if the engagement is not fulfilled by the party in Col 16 the Committee under Act XX of 1863 may cause the makhan to be built & the charities observed. The Inam is therefore confirmed to the Managers of the Macan for the time being in one T.D. which must be sent to Coll.r with a request to issue it only when the Macan &c are restored.

To be Confirmed to the party in Col 16 so long as he continues the performance of the service.

It appears from the Takeed issued by the Collector to the Tahsildar N. 167 dated 23d July 1861 that this Inam is temporarily attached for having not built a Makhan and supplying rice to the Phakers who could halt in it.

Ask the Tahsildar whether the agreement is fulfilled or not
