Notice No 48 Dated 23/3/63 to one Venkatrama=nayan an Alienee – The Village officials declare that Venkatramanayan has been in temporary enjoyment of the Inam from a few years 26 or 7 – owing to the undue favor of the a late Tahsdr & that he has no shade of title to the inam – which because it ~~being~~ was waste through the neglect of the Inamdars family was allowed to be cultivated & enjoyed by the Tahsr's favorite – Venkatarangachari one of the three gt gd sons of the party in 1214 & 33 claims the inam on behalf of all the three Brothers – He complains he had been unfairly deprived of Enjoyment by force of the Tahsr's authority even when he had been to the Village several times to take possession – 1-4-63 ~~If~~ Venkatramanayan not appear in due time & prove his title, the inam ought to be confirmed to Venkatrangachari the 3d gd son 8-4-63 – Venkataramanayan has just appeared, and produces a Simple Cadjan in support of his Claim. It is dated 5th Tye Vikrama (16th January 1821) It purports to be +		T.D. No. 1662 Confd to the representatives of the original family as recommended by Depy Collector 15 May 65 Appd 18/5/65

+ a deed of gift by one Strirangam Rangasachari, & gives the Inam to him for the support of the Amadanam in Sevamammalay Pagoda he is to make – It is witnessed by the Character Siwanmalay Deity – Who wrote the Deed, is also not mentioned – Besides, it is glaringly seen that the Cadjan is too new, to be 40 years old as it purports to be – Hence I am of opinion that the Cadjan is a recent fabrication and the temporary enjoyment of Venkatramanaya secured by undue favor of the Village and Taluq officers – The non entry of his name in F 1233 & 1262, according to the alleged gift of 1821 is another proof of the fraud – I have therefore rejected Venkatramanaya's claim as fraudulent and ~~temporary~~ & recommend that the Inam ~~in~~ be Confirmed to Ramaswamiachari Elder Brother of Venkatrangachari & the Hd Member of the family as follows –
