To be confirmed free in one T.D. so long as the Chatram exists — T.R. 2-4-63 Gopalakrishna Chetti & Pattabhiraman Chetti brother's sons to the party in 1262 claim for themselves a share in the right to manage the Chatram affairs and say that the present Manager, their uncle's son abuses the trust — on enquiry however, it is clear that these parties have never had any part in the management which has been conducted all along by the person in F 1262 the father of the Present Manager & that the abuses ascribed to him are unfounded in as much as the Charity is generally reported to go on well. The Present Manager produces an acquittance deed executed on stamp Cadjan by the Claimants [illegible] to his father on 10th Karthiki Parabhava or 23rd Novr 1846 in which they renounce all interest in the properties situated in Karur in their favor — I have told the parties that it is not my province to decide on individual rights & accordingly I have referred the 2 persons not holding the trust to recover their rights thro' Courts — T.R. 2-4-63.
