a man better son of the party on 12-62 & claim
that the same should be compensated to him - He states that his father was with
the son of Kettler in the latter as stated in the
through did hurt he was a poor & that
therefore the deed is questionable -
& that the proceeds of soldiers are mostly gone
and not purchased - He they have however
received 20 years pension I have explained
the matter to you so far from the equality
of the balance the deed & receiving the same
