Pajari
Sahaya
Goudan
Entered into
Survey and
Settlement
register

Subbaraya
Mudaliar
Saw menjar
Marichayya
Saw palayam

not known

In the descriptive Memoirs attached
to the Settlement Register the
man is shown as Subbar.
But this man does not find
place in any of the man
registers or in the abstract

accounts prepared at the time of the Chann Settlement.
According to pammash the total extent of Pajari and
Personal lands in the village is only 10000 1/2 aces.
This extent has been settled in three Settlements nos.
47, 48 & 49. The field appears to have assumed the
character of man only during the Settlement. The
land register is not available. The present
occupants admit that he is enjoying the field
for the last 10 or 12 years without performing
any service. No body knows where he travels
is, or anything about the Pajari Sahaya Goudan
names in the Settlement Register. The man
may therefore be deceased and fully assessed.

Assessed and fully
assessed.
