No. 89 classed as wandavaram man. The wandavaram  
is maintained on Acs. 60-80 Cnts of land. The land is  
under occupation of (1) Sinnappa Mudali and (2) Omiah  
Mudali, in shares of 5-16<sup>as</sup> 80 for a very long time. The  
occupation is under a lease classification of the field  
is purchase, <sup>and</sup> ~~the~~ <sup>an</sup> agreement is being carried. The  
flowers are used for the Devan temple at Perundhalapur.  
It is contended that S.M. SP was given as award for the  
maintenance of a flower garden in S.M. 89. But no records  
or other evidence is forthcoming to show that it was so  
granted. According to Devan Commission's Notification  
dated 8-11-1966, all "wandavaram Orambaks"  
should be treated as vines. The land may be settled  
as Devadayan Wandavaram Devan and title which  
may be carried in favor of the Manager for the time  
being of the wandavaram at Perundhalapur village,  
subject to the Audition laid down in Col. 10 of the  
Devan Register.
