[illegible] vadi Zamindári in the Dindigul Taluq Madura District

[illegible] of the [illegible] dayam inams in Nos. 1 and 2 in this Village is being appropriated for the support of Kadiri Narsimhaswamy Pagoda at Kannivadi — The arrangement with the Poligar [illegible] appears to have been undisturbed during Court of Wards management of the Estate (F 1226 to 1252) — yet as its propriety is much questionable, I have entered them in the names of only the proper Pagodas, for the support of which they were originally given —

In a statement sent by the Renter of the Estate dated 18th June 1863 there is a remark that the worship had ceased from 20 years — It is perhaps wrong as it was founded ~~[illegible]~~ on Curnum's verbal Report who states before me now that he merely reported that the worship ought to be made daily — & as the Villagers before me say that the usual ceremony is observed — T.K. 20-7-63 —
