The 1st of this Month
arrived in company with the Federal Manu-
gers of the institution, who saw the
deceased work of the inmates of the
Penitentiary, and afterwards had
a conference with them. They say that
the Customary rules are used here
here but the Discipline is not. They
think the next time here are for
the purpose of a conference, and
have been prohibited in the whole
of the country because the inmates
of all houses in the Penitentiary
are sent to the Court. They say
that the Prisoners have been sent
to the Court.
