26 Kumara Kovil Inam
28 Dundayudhapani Inam
25 Muttanampatty Perumal Inam

[..]ith of the Dasadayem Inams in this Village with the exception of those marginally noted — is being appropriated for the support of Kaderi Narsimhaswamy Pagoda at Kannivadi — The arrangement is [..] to have originated with the Polygar, & continued during Govt. management of the Estate from Fusly 1226 to 1252 — yet as it is objectionable & cannot be recognised in a permanent settlement — I have entered in Col. 16 & 17 as Inamdar throughout the cases the name of the Pagoda that was the Grantee — The Curnum of the Village has been dishonest in preparing the Registers — He wrote down in Col. 8 of the Vernacular Register in several cases that the Worship of the Pagodas in the several cases had ceased — He afterwards attested the statements of the Pagoda representatives with a declaration quite contrary to his remark — In the enquiry before me the fact of the performance of the customary observances is proved & the Curnum now says on being cross questioned, that the remark entered by him first in the Regr. was through his ignorance of the real state of things, in consequence of his attendance in the Polygar's Cutcherry six months in the year! — The Polygar's Tgaradar has sent in a statement 18th June 1863 to Tesldr. in which he has repeated the same statement made by the Curnum 6 months ago before him & as the Tgaradar's remarks were made merely with reference to such a verbal statement & without local enquiry, it is passed over as deserving no notice especially as the Villagers again me speak against that statement — The Polygar's Tgaradar's statement does not seem otherwise to deserve credit — He remarked that in the 7 cases viz. 23, 7, 9, 20, 14, 21, 28, the worship ceasing the Inams were accordingly appropriated to the Pagoda at Kannivadi — I believe the allegation touching the cessation of the worship was intended merely as an excuse for the Polygar's interference with the Inams — The Polygar's Vakeel before me does not object to the truth of the customary observances, ~~being made~~ having continued to be made — I have told him that he should no more meddle with all these old Inams —

The Polygar's Karadar sent in a statement to Inam Commr dated 18 June 1863 saying that the service having ceased, the inam is appropriated to another Pagoda at [illegible] — on enquiry I find this statement to be wrong — The service never ceased to be performed; but the Polygar was endeavouring illegally to appropriate the inam on false pretences — The Polygar has since [illegible] to his [illegible] desiring to interfere with the inam no more — T.K.

Collector wrote [illegible] that the 2 Goontas 33/64 have been encroached upon by ryots under Poly[illegible] the matter should be ceded to the Zemindar — The Zemindar appealing against from the decision [illegible] the matter was referred for [illegible] enquiry which has not yet closed — enter the inam area as per survey in the Regr; [illegible] should be ceded to Zemindar as being within the Zemindary limits — T.K. 29/7/63 — [illegible] must settle the question whether the late Collr's order 6 July 1858 [illegible] be carried out or more [illegible]

The Muttam manager complained that the inam had been encroached upon by Polygar's ryots to a large extent — on enquiry the late Collr decided in his [illegible] 16 Feby 1858 No 125 [illegible] reference to the result of the measurement [illegible] that there was a [illegible] of Goontas 3-4-2 & an increase of 3-1-14 [illegible] that the complainant must take up the inam as it agrees —
