In the Chitta of F1212, 1 Kani on 1·32 appears as Nanchagi Inam in the name of Lakshmi Narainayya, but it does not appear either in the Chitta of F1212 or in the subsequent accounts. Whereas, the Ayyanar Inam case does not appear in the Chitta of F1212, but it first appears in the Chitta of F1212. The Nanchagi Inam has been from F1212 in the enjoyment of Lakshmi Narainayya & his descendants. The Inam appears to have been by mistake incorporated with the Ayyan of the Whole Village. As it appears in the Chitta of F1212 it must stand as Inam; the decision ought to rest with the Govt. Title confirmed at Rs 8 2
