I This is one of the Devasthanam Villages in the perrinary of Ramnad perrinary. It was granted for the support of the Temple of Sarva Tirtha Mudaya in Sirthandadanan. There is a perrinary grant. No Patta. No break in enjoyment. The Temple is apply kept up. The Pannu is worshipped daily. No Takkara about the area or about the boundaries of the part of the Pannu's Vakkal. The boundaries correspond to those in the account of 1248. Hence the area of 19 acres & 28 cents is correct here.

II The lands are paying waste since long from want of care on the part of the Trustees. Pannu is paid to the perrinary from the proceeds of other Villages belonging to the Temple. The average income of the Village may be estimated at 57 Pannu per annum if the Pannu is improved. The Temple & the Village are under the management of the Pannu of Ramnad.
