Register No. 830

Sheet No 977

This is A. Brahman's Village. The Portuguese receive annually half of the alluvium grown from the Range of Ponnai.
The Portuguese have no right in the land. Hence the Village is not brought within the scope of Indian Rules.
The Range never agreed to allot half of the Village to the Portuguese or to receive from them Pongal for land in the Village.
However the account is prepared, the register is kept at this for information.
