In proof of which he refers me to the annual account of the
 Village of Parajitha dated 1827. The person of 22 years of age that he
 says purchased the land in 1803 for 600 from Muttammal, above alluded to. He proved it by 16 pleas that he
 purchased 2 thirds of 1/16 of a village in 1803 for 603 rupees from the said
 Muttammal. The person of 22 years of age produced two bills of sale drawn up on paper
 of paper, while the person of 45 years produced a bill of sale on a plain paper
 leaf. The Parajitha account is in possession of the person of 45 years of age.
 1818/27
 The person of 45 years produced the account of the person of 22 years of age
 in the village in the year 1827. He can account how the bill was disposed of
 if it were not sold to the person of 22 years of age & 45 years of age. Muttammal says
 that all the lands sold by him are his husband's Patrimony & that he knows
 nothing about the one bill having been mortgaged to her husband. One of the
 Muttammals says that Soudarammal has a right from bill in that village.
 The person of 45 years of age says that the account of Parajitha is not genuine.
 The bills of sale of the person of 45 years of age & 22 years of age have been attested by some of the
 Muttammals. When the transaction of sale took place none objected to it.
 Again the Parajitha account shows that the land was sold to the person of 45 years of age
 1818/27
 The person of 45 years of age says that the bill was sold to the person of 22 years of age
 The bill was sold to the person of 22 years of age & that he had once bought 1000 rupees of land
 in the village of the person of 45 years of age & Muttammal since the year 1803 as
 above alluded to. He says Soudarammal has filed that the
 bill was sold to the person of 22 years of age & that he had once bought 1000 rupees of land
 has no documentary evidence to prove that the bill is in mortgage of the
 family. As the evidence is in favour of the person of 45 years of age & Muttammal, I confirm
 the sale & register the lands in the names of the person of 45 years of age & 22 years of age.
 I am no materials to melt the long enjoyment of Muttammal.
 I cannot depend much upon the account of 1827 which contains
 several errors.
