Register No. 524
Sheet No. 592

1792. Since 1864, land is confirmed here. The Village is entered in the House Register of 1864.

III Wet lands depend upon a tank & tank is of a superior quality generally. Average profits of the Village are 150 Rs per annum. The Village consists of 8 1/2 equal parts. They are enjoyed as shown in the margin. The lands are not liable to provincial exchange. Ponds is paid on the number of Britons equally. The Range Subah requested me to register the Village in the name of Rang. But as the Village is in possession of the British officers I registered it in their name.
