

[illegible]

The person N 2 to 5 are the standing shareholders in the Village. As per is an ancient grant, the person N 2 to 5 is entered in the Board's Register of A.D. 1815. The person N 2 to 5 are the standing shareholders in the Village. As per is an ancient grant, the person N 2 to 5 is entered in the Board's Register of A.D. 1815. The person N 2 to 5 are the standing shareholders in the Village. As per is an ancient grant, the person N 2 to 5 is entered in the Board's Register of A.D. 1815.

III Wet Cows depend upon two small Lakes - they are in repair - They are fed by Jungle Straws & by a broom
Cattle is of an inferior quality generally. Some of the Cows are impregnated with all

The Tanks are filled annually. Wet Crops are not cultivated & the
 Country of Palen is not much felt. Harvest is not good from
 the tanks of land as water
