

Register No. 133
 Sheet No. 1

T... This is one of the villages granted for the support of the Temple of the Dandayudha Parivara in Palni in the Taluk of the same name. This is one of the four villages in the District of Madurai. The Temple is officially kept up. This is one of the most notorious Hindu Temples in the District. It is a place of pilgrimage. The whole of the land is in the hands of the temple. No land is about the area nor about the boundaries. Hence the area of 368 acres is confirmed here. No doubt follows in this village. The whole of the lands are not of long standing. The soil is of a medium quality generally. Average profits of the village are 158746. This is fair. Hence I confirm the same as valuation of the village of 17 of the Register.
