

State of Indiana Dec 1861

1. This is one of the Dardianans in the primary of Roman period. It was granted by the government of 1800 to 1800.

for sustenance - There is a benevolent grant. There is an uninterrupted possession of its hold and since the date of the grant

This is a letter on copper plate. It is not a registration - the $1\frac{1}{2}$ of the village is supported by the accounts 1812 -

because 1/3 of the Village was not included from the assets of the Permanent Settlement as that portion was under the

common at the time of the permanent Settlement from the direction of the holders thereof or subsequently, the $\frac{9}{10}$ of the

the village was destroyed from the assault was reduced to the same state after his return - Hence Feb² of the Village destroyed from the winter of Permanent Cold trail in the snow

From the assets of the Permanent Settlement from the year 1800 to 1801 32

II. The Illness consists of the coral Thistles. They are unions of a stone in the meads - The lands are divided - Cattle are exchanged.

the lilies once in 12 years but has not come during the last 20 years - J.C.

(Continued from page 1) The entire village was
 originally granted by the zemindar to 11
 persons of 13 who after some time gave it to 20
 = Brahmin families as to receive 13 villages one of the
 = some time by gift - The persons of 16 who are mentioned above
 = as standing shareholders in the village are the persons of 13
 the persons of 13 or those of the persons who received the
 entire village in gift in 16 shares from the said Original
 Grantee.

1 The 3rd village mentioned in the list contains more land
 than it ought to have - The 1st & 2nd villages say that it is not an
 original village but a new one.
