Prof. J. J. Davis
in Aug. 1876

Handwritten signature: J. P. ...
Handwritten text: ...

A close-up photograph of a piece of aged, yellowed paper. The paper has a mottled texture with various shades of tan and brown. Overlaid on the paper are dark, swirling ink markings that appear to be a signature or a decorative flourish. The ink is dark brown or black, and the markings are somewhat abstract and fluid. The overall appearance is that of an old, handwritten document or a piece of art.
