

Kallerkhai.

This is one of the Devayagum Villages situated within the limits of the pendency of Ramnad - This was granted by Mania Raja twenty thousand years ago to Anellanga, a Hindu Priest for the maintenance of the Temple. This has no Rottu This is a permanent grant. There is no temple present of its kind since the date of the Grant. The Village is sufficiently kept up. The four Feasts are performed twice a year. Hence the grant falls under Rule 6 Clause one Tax Free.

Dated 12-11-1901

III. The present area of the Village corresponds to that given in the account of July 12th 1811. The boundaries given in the statement ~~are~~ and with the approbation of the gentlemen of the Council. The Village has no Hamlet or Hamlets. There are ~~of~~ 836 Acres in confirmation here.

III. - Wet lands depend upon a small tank - 64 acres are left waste since the last 10 years from the weakness of the tank - The average soil is of a superior quality generally. Puzos lands are of a medium character - 210 acres are left waste since the last 10 years from want of water. The average net profit of the Village as per statement of the Museum of the Village is 380-9-7. The average rates of the District as well as permissive Subys are given on the back of this Register. With reference to the fertility of soil &c, I proceed to frame the valuation as shown in column 7 - The account of the net profits is false -
