Register of Chattram Village of Konjaramgudi in the Ramnad Taluk Madurai District

This is one of the villages in the panchayat of Ramnad Taluk - This was granted for the support of Velluppalur Thiruvannam in Thirupallam or Darbaramam. This is a permanent grant - No break in enjoyment - The Trustees paid used a Patta engraved on a copper plate. This does not seem to be a genuine one as its number is not made in any of the Accounts and the Rang's Patta is only 100 or for about it. In the Account of 1821 & in the Account of 1815, this Village is entered as Chattram Village - From the copper plate Patta it appears that this Village was granted for Dwadasi Kallai or for feeding Brahmins once in a fortnight on Dwadasi day - The Dwadasis are said to be very good days in Hindu Festivals to feed Brahmins - Now Brahmins are fed on every Dwadasi day - No more than 12 Brahmins are fed on every Dwadasi - Hence the patta name is inefficiently repeated - No Talk over about the brahmins of the Village on the part of the Rang's Patta. The brahmins correspond to those in the Account of 1821 - Hence the area of 359 Annas 400 pints is confirmed here - I estimate the income of the Village as 350 Papes per annum - of the 350 Papes of the purpose of Papes 125-155 is deducted, the net income is 224-07 - of the 224 I think the Trustees spend only 50 Papes per annum - & the remaining 175 Papes is misappropriated by the Trustees - I think the Committee who will be appointed hereafter under the new Act will either adopt measures to put the a stop to the misappropriation or themselves take action in it - The Trustees reduce the income of the Village to a very low degree - to secure their misappropriation of the funds -

As per Act of 1821
