

As per acct of Dr 12/11

1 This is one of the villages in the pargana of Ramnagar. It was granted for the support of the Temple of Shree Ambalavanie Swamy in Attingarai. It is a permanent grant to the Patta. No talk can about the boundaries on the part of the Rango Vakil. The boundaries now inserted in the memorial statement correspond with those in the Account of 1712-13. Hence the boundaries are confirmed here & the 58 Acre & 37 futs situated therein are registered here.

The Temple has only the Village - It appears that the Village ^{has been} rented out 85 years ago to one Romangappaetty; that the Satty appropriates the Revenue of the Village for his own use & that once in 10 or 15 days, the Duty in the Temple is being worshipped & that the Temple is in dilapidated state - For a copy of the De Magistrate of Tanjavur's Amsi - dated 22 July 1864 with its enclosures is placed with this - I tried my best to secure the attendance of the Satty on this occasion - I sent a notice to the Manager of the Patta on the 30 July 1864 - bringing to his notice the dilapidated state of the Temple & asking him to inform me on or before the 15 August, whether the Rango is willing to restore the Temple, if it be affirmed on whether period the Temple ~~will~~ be restored - The Manager never replied to me up to the day -

Under these circumstances I would recommend to resume the Village & incorporate it with the Corb lands.

... The average income of the Village is 60 Rupees per annum or per status of the Surma of the Village - It is not known for how much the

Maye has been sent out.
