

Kuvarakulam Kuriyendal

1 These are the Dramasarams in the Remission of Ramnagarum. They were granted by the Remission of 1815 to the person of 13 -
= for subsistence. These are hereditary grants. There are no uninterupted possession of them & since the date of the grant -
they have a Patta on Larijan leaf. The existence of which is mentioned in the account of A.D. 1815 (Caperi account). Though these
are two distinct villages, they have only one boundary line & the area of these two villages is given in the account of 1721 & 1724 & 1728
- in a lump. Again the lands of these two villages ~~are~~ have been divided into 18 equal Tracts in A.D. 1835 as before. Hence these
- two villages are brought out under the same Register. These villages are entered in the Board's Register of A.D. 1815. The Patta is in
- Chupri in all these villages. No Talkara about the arsan or about the town or village on the part of Rany's Village. Hence the area of
- 557 Acre & 61 fath is confirmed here. The excess is situated within the proper limits of the Village. The lands of these two villages -
- have been divided & they are exchanged periodically without any limitation of period. Patta is paid on the number of Tracts & yearly
& permanently. This was granted originally to the person of 13, by whom it was sold to one Pansayen, who sold it
- to one Parwaray in A.D. 1780 -

II The persons of 16 say that the Village was granted originally to the person of 13 by whom it was sold to one Lonsayen, who sold it to the latter division of that the latter divided the Village into 16 Villages & granted them to their ancestors on Parwara at 1780 -

To one Venkata of Bellur - & other place in
 I have no documents to corroborate these statements. (See next entry) -
