

The temple of the god Siva of Ramesseum. It was granted by Subahana of Akkervady for the support
of the ^{Rosa} Butani at Ramese. It is 3609 years old it came from the account of D.D. 1855. This is in unbroken stone.
It has no Pottis. There is an inscription cut on a stone which details the origin of the grant. The temple is
in ruins. Four fests are performed twice a year. Five fests run one & the same time.

to that given in the account of 1821. The former is Takel-jinos no fault with the boundaries which correspond to the

III. The Wet lands depend on a large Tank. They are cultivated annually - $93\frac{1}{2}$ Acres of Wastes are left uncultivated since the last 10 years from want of repair of the system of irrigation - Wet lands are of a medium character. Scarcely of water is felt - Wet lands are not cultivated 2 times - Pungah lands are of the same description of $6\frac{1}{2}$ Acres alone are left waste since the last 15 years - The average net profits of the Village are 667 Rs per annum - The average rates of Govt. taxes as well as Zemindari villages are given on the table of the Regulation - With reference to the nature of soil & I frame the regulations as attached in form of the Regulation.
