

Manganì டாங்கி

1 This is one of the Darmasasman in the territory of Ramasapuran. It was granted to the person of 113 for subsistence in AD 1725. There is a period of 100 years grant. There is an uninterrupted possession of its holders since the date of the grant. There is no Patta. The Village is supported by the agents of 112. The Village consists of two equal shares. They are enjoyed as shown in the margin. Pong is paid out the number of shares equally & permanently. No Lakkaran about the area or about the boundaries on the part of the amir Pakhal. Hence the area of 33 Acre is confirmed here. The persons of 116 are not descendants of the Original Grantee. They acquired lands as follows -

II. In Dec 1821, the father of the person No 1 of 186 purchased land of the Village for 164-139 from all the men one of the descendants of the Original Grantee. Bill of sale is on Stamp paper and after Transference of Bonafide Enjoynment proved.

III The father of the person N^o 2 & 3 of 6 purchased ~~land~~ ^{the remaining half share of} in A.D. 1852 for Rs 130 from one Ramaswamy Pillai & J^r.
Ramaswamy Pillai who purchased the land previous from one of the shareholders in the Agrahar. Bill of sale is on stamped
Cargen paper. Transaction is Beneficial Enjoyment proved.

Wet lands depend upon a Tomb. Dry lands are cultivated annually. Some of the Wet lands are left waste from want of capital &c. - Average profits of the Village are 28-68 -

For as of a medium character generally - but I have not followed him - I have not followed him -
In consideration of the perils of error in framing the valuation as before of the Register after weighing the matter much & entering into
much details -
