Register No. 698
Sheet No. 832

This is one of the Villages in the vicinity of Ramanadgee. It was granted for the support of the Shrine of the Goddess in Madakungalam. It is a permanent grant. No Pottu. The Village is entered in all the Accounts in the name of the Shrine. No Talk over about the Area about the town since on the part of the Rango. Valuet. The boundaries correspond to those in the Account of 1724. The Area of 751 Acre 81 feet situated within the proper limits of the Village is confirmed here. The Shrine is efficiently kept up. Daily 8 men are fed in the Shrine. The Rango's Taluk himself says that the Village gives annually a sum of 1103 Rupees & that only 8 men are fed daily. I don't think it will cost more than 300 Rupees annually to feed daily 8 men. The remaining sum goes to the Government Treasury under whose management the Institution is placed. From my experience I cannot but mention here that the Shrine & Devotional services are placed under the management of the Government for his own benefit. I think of the whole Revenue of the Village is appropriated to the use of the Shrine 30, & 10 could may be fed daily in a very comfortable manner. Daily 8 men are fed in the Shrine. Inclusion of its account to show simply that the Shrine is efficiently kept up. I hope the Committee that will be appointed under the new Act will be able to do things at right if they were really honest men. The Village any other a vast improvement is required in the building for the comfort of Travellers. *W. H. P.*
