

Register No. 177

Sheet No. 200

for subsistence - This is a boundary grant. This is an uninterrupted possession of its borders since the date of the grant. This being so. To the Village is supported by the account of 1812. The present area slightly exceeds that given in the account of 1812 by $3\frac{1}{2}$ acres. All these lands are situated within the proper limits of the Village. Hence the one of $75\frac{1}{2}$ Acres is confirmed here.

The person of 16 purchased the entire Village on 3 occasions in A.D. 1881 for \$1274 from one Sadak a Harry Matthews among others & the descendants of the Original Grantor. One fourth of the Village was sold to Tellemmal, a shieldless widow, by her Mathuram law who is also a shieldless widow, & by the action of the father of the husband of the aforesaid Tellemmal & by her son law of the Math. & the father of the husband of the said Tellemmal. These bills are on stamped paper. Transactions on bond fide. Enj. of mt. provided.

III Wet lands depend upon a Fault. It is fed by Purpled streams. Soil is of a medium character generally. The Vallee says that he does not know the age of Waste lands. It appears from the results of my enquiry that half of the Waste lands are really waste since the last 30 years & that all the lands are fit to be cultivated. Wet lands are not cultivated & have - The Village is not in prosperous state from the poverty of the former holders. Now the person who is the Manager of the Estate of Pannau will improve it shortly. Average profits of the Vallee as per statement of the Vallee are 2000 Rs. - Of this if the Govt of Year 12-16 Vallee annual charges of 800 Rs. are deducted the net profits are 1200 Rs. - A medium character with a medium soil generally. With reference to the state
