

This is one of the Devastation Villages in the nursery of Rome, granted for the support of the Temple of Ag. Lavinia in the Parish of St. Peter in Vincoli. - in 1689. This is a permanent grant. This was not altered any time the Temple is sufficiently supplied. Several Villages such as San Pietro are given - This has a Pottery on a Copper plate. The house is small.

II The present area of the ~~Mege~~ ^{Mege} exceeds that given in the account of 1742 by $58\frac{1}{2}$ acres. All these lands are situated within the proper limits of the Village.
The remains of a well found within the townsite beneath the area of 180 acres is confirmed here.

III Punjab land is not of a very superior quality. No waste in the village & all the lands are cultivated annually. No wheat for straw &c.
The average net profits of the village are 83-82-4 as per statement of the farmer I gave the valuations. as above in P. 9.
