1 This is one of the Darnas claims in the government of Ramon. This was granted by the government of 1813 to the
proprietor for subsistence. This is a breeding grant. This is in uninterrupted possession of its holders since the date of the grant.
This has been engraved on a copper plate. This is not a repetitive one. But the mention is made in the paper already
- of 1815. The thing is supported also by the account of 12. The thing consists of 20 sq
- in the margin. Lands have been divided. Lands are exchanged once in 12 years. But this was not done during the last half
century. In addition to the 20 fields, there are 2.5 + 4.5 fields of salt & 1/2 share of Dry Lands as Mijamama Randigai.
This is as shown in the margin. The Mijamama Randigai is enjoyed by the descendants of the original Grantee among
the present ones and that given in the account of 71210. All these lands are situated within the proper
on the right of Ranjo.
