

Madalav Kulam - 10 5 00 00 07 16

- I This is one of the Villages in the Taluk of Ramnagar. It was granted for the support of Velayudapuram in Taluk of Ramnagar. I recommend to reserve this Village under the circumstances detailed in para III of the Report of the Village of Velayudapuram.
- II No. 1 of the order about the boundaries on the part of the Range of the Taluk. The boundaries now inserted in the vernacular statement compared to those in the Account of 1846. Hence they are confirmed here & the 502 Acres 34 Cents situated there are registered here.
- III The average income of the Village is 416. Rupees per annum as stated in the statement. This is not true. I raise it to 700 Rupees with reference to the fertility of soil &c.

"Amadaram" is the chief of feeding &c. has continued to be performed in Velayadapuram Chattram up to 1839. As the road which the
 Chattram is situated was not much frequented by travellers, Mr. J. Blackburne the late Collector of Madras passed a resolution to the effect
 that the chief of the said Chattram should be conducted at Vennagudi which is an important road. In accordance to his order
 of 21st of Decr. 1830 based on the above grounds, a new building was erected close to the Stone Chattram of Sannisa Managar,
 out of the proceeds of Velayadapuram Chattram and the charity of Amasaram is being conducted therein with reference to the proceeds thereof. In the
 Chattram of Sannisa Managar a water Pond is kept in proportion to the income of its Village. Accordingly accounts are being kept separately. Lighting
 &c. were being kept lately in Velayadapuram Chattram as per the order of the above Collector. In consequence of the proceeds not being sufficient to meet
 the charges of repair the decayed building became ruined.

The Deputy Collector admits that the monthly expenses amounting to Rs. 10 in the purchase of Paddy and other articles according
 to that calculation it amounts to Rs. 120 and add Rs. 10 per annum which, if added to the sum of Rs. 87-8-0 being the extra feeding charges on the occasion
 of the said Chattram, comes to Rs. 503 and add. The average proceeds of 1/4 portion of Tellicherry Village appertaining to the Sannisa Managar
 Chattram amount to Rs. 252 as would appear from the Statement after deducting the Parappa payable thereon to the Sannisa. Yet Rs. 95-0-0 then leaves
 a balance of Rs. 40 and add. It is not possible that the above proceeds will cover the charges of 503 Rupees. Had this circumstance been brought
 to the notice of the Government, he will be led to conclude that Amadaram is being performed regularly. This is beyond all doubts. The failure of most
 of the Chattrams in the district is owing to the heavy allowances in the district is only attributable to the extravagance of the servants. If on account of this more delay
 than is necessary is not made in the furtherance of the said Amadaram he is being regularly conducted after this time he shall stop the
 work should be the consequence of the Chattram. Copy of the above order No. 351 is forwarded herewith for perusal.
