

I This is one of the Villages granted for the support of the Temple of Lord Ramesha Narsa Swamy & Parvata Vandana Amman in Rameswaram. This is a firm grant & not a No. Patta. The Temple is effciently kept up - This is one of the most Hindu Temples in India. Festivals are performed annually. No Talk over about the area or about the boundaries on the part of the Rani's Vakeel. The boundaries now inserted in the remainder statement correspond to those in the Account of 1724-5. Hence the boundaries are confirmed here & the 336 Acre & 85 Fatha ~~are~~ situated Perann are registered here.

II The Vakeel of the Trustee pleads that this was granted for the support of the Trustees Mattam in Rameswaram. The Rani's Vakeel pleads that the Village was granted for the support of the Temple & not for that of the Mattam. In the account of 1724-5 in the Tamil Account of A.D. 1815 the Village is entered in the name of the Temple. In the English Account of A.D. 1815, the Village is entered among along with the Devotional Villages of the Temple but it is said that it was granted for the maintenance of the Perannam of the Temple. This is not a correct entry. As the Village was granted for the support of the Temple it is ~~entered~~ ^{registered} here in the name of the Temple. The Trustee is at liberty to appropriate any revenue of any Village to any Mattam as he has such a sole control over them. The average income of the Village is 357 Rupees per annum. This is not true. I raise it to 800 Rupees. with reference to the fertility of soil &c.
