a village of Kanakudi Kanakudi is a name of Kanakudi village of Kanakudi
 Panakudi Kanakudi - 15.11.1865 19 2000/55 19
 This is one of the Darnas in the possession of Kanakudi. This was granted originally by the Government of 1815 to the person of 1815 for
 - subsistence - This is a hereditary grant. This is in uncorrupted possession of its holders and the date of the grant - This has no Poller
 It was lost - The Village is supported by the accounts of 1812 - This Village consists of 31 equal Thattas they are enjoyed as shown in the
 The lands are unenclosed - Pompu is paid out the number of Thattas equally & permanently - Kanakudi & Kanakudi are two distinct Villages
 but their area is given in the accounts of 1811 & 1814 in a lump - The Mahajans say that it will be very inconvenient to them if the Villages
 are settled separately as the extent of the Pangs or Thattas run into two Villages - The Pompu also is in a lump since the two Villages are
 brought on one & the same Register - The present area of the Village exceeds that given in the account of 1812 by 194 Acres - All these lands
 are situated within the proper limits of the Village, which corresponds to those in the account of 1812 - Hence the area of 478 Acres is confirmed here
 It appears the standard accounts do not include Pompu the land - Hence the minor - The standard accounts contain generally the area of the whole
 Pompu or 200 is paid - No Taluk about the boundaries on the part of the Pangs, Vatal -
 II. Of the persons, in 1816, the persons of 1815 & 1816 are descendants of the Original Grantees - The rest are aborigines -
