This is one of the Villages in the Zemindary of Ramnadpuram. It was granted by the Zemindar F. 11 for the support of the Temple of Stree Adi Jogannatha Swamy in Tirupullani or Darbasaianam. This is a permanent grant. No Potta. It was lost. It appears that originally the Village was Darmasanam. It was purchased by the Zemindar F. 11 & made an endowment of the same to the Temple in A.D. 1760. No Pattam about the area nor about the boundaries on the part of Rany's Vakeel. Hence the area of 224½ Acres is confirmed here. The Temple is efficiently kept up. The feasts are performed annually.

Wet lands depend upon one Tank. Soil is of a medium character generally. Average profits of the Village are 500 Rupees per annum according to my Calculation which is proved on several details.
