- In the village, 43/64 of a pretty well as Prima Parsaigee or
Common property of all the shareholders to meet the repairs of the Tanks

III. The person N 78-79 & 80 who are cousins claim to 12/16 of the

- mostly aged it about 15 or 16 years ago to the person N 52 & that the mortgaged land

it now is in his own name as if it were his own property & requests to register the 12/16

- in their names - The claimants admit that the lands in dispute are in possession of the

Defendant - or alleged mortgagee. They failed to prove their claim by saying that they

have neither witnesses nor documents to establish the transaction of mortgage

They further say that they have witnesses to prove that they demanded the mortgage

the person N 52 about 16 years ago for the lands in dispute & that the person N 52 refused to

receive the money & redeem the mortgage. They again say that they never complained

to any authority. On the whole as the claimants failed to prove their claim,

it is rejected & the lands in dispute are registered in the name of the person N 52 who although

absent now waited in this office for the settlement for months expecting for the

arrival of the other shareholders in the village.

IV. The said persons N 78-79 & 80 of 1816 claim to the lands entered opposite the

Widow N 81 of 1816 by reason that these lands are their property or that acquired from

their own funds after the common property of the family was divided between them

ancestors & the father-in-law of the Widow N 81 of 1816. The Decree dated 11/6/1861

of the Judge of the late Madras District Court is in favour of the Widow N 81 of 1816

& their decision was confirmed by the Court of Appeal & the late Privy Council

in appeal & 2nd appeal respectively. The lands are in possession of the Widow

N 81 of 1816. Since the claim of the claimants is rejected & the lands are registered in the

name of the Widow N 81 of 1816.
